Here and There

- Srs. Paul Ann Hanneken and Rachel Nerone retired as work study coordinators at Notre Dame Academy (KY). To view photos, visit the NDA send-off article at www.sndusa.org/news (under the "Covington" category).
- Good news from Global Missions: Every St. Julie Primary student who took the national leaving exam in Uganda earned the highest score. Also, Notre Dame Academy students performed so well on national exams that the school is now ranked 12th in Uganda. Congratulations!
- "Nobody is excluded from my love if nobody is excluded from God's love." This is a quote from one of the Sister Zooms we hosted in June. You can watch all of the presentations at www.sndusa.org/sisterzooms

On the Cover

It was a joy to connect with our friends through this year's virtual/drive-thru 4th of July Festival. Our sponsors, raffle entrants, and drive-thru supporters raised \$117,209 (net)! Thank you to everyone who donated, made a purchase, and volunteered.

2022 is the 100th anniversary of the SND 4th of July Festival. We must do it big, as they say. Let us know if you have any ideas or would like to participate with Festival preparation!

We are **GRATEFUL**

In true SND partner spirit, our donors recognized that the pandemic only increased the need to support our local, national, and global communities.

Please join us in thanking our partners who helped empower SND ministries this past year through their financial gifts. ➔
